

MeeScan -- Check Out Your Own Books

Step 1: Download the MeeScan app to your Apple or Android device. Allow the app to use your device camera and location.

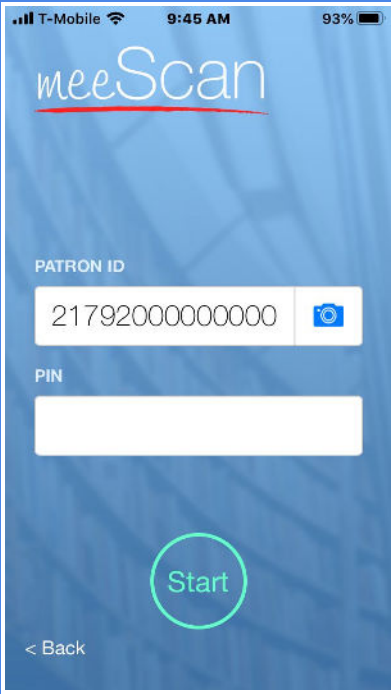

Step 2:

Open the app and press **Start**.

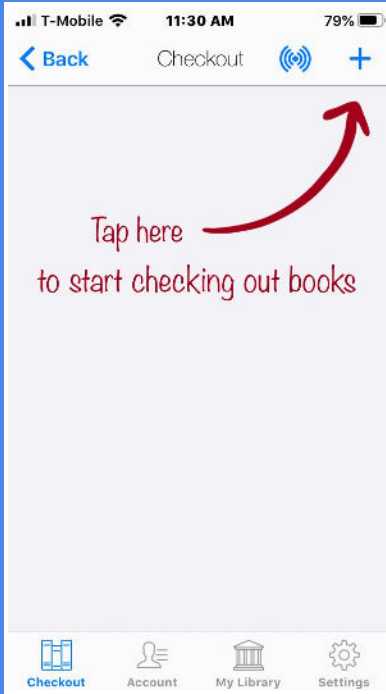

Step 3:

Enter your Library Card Number and PIN (usually last 4 digits of number)

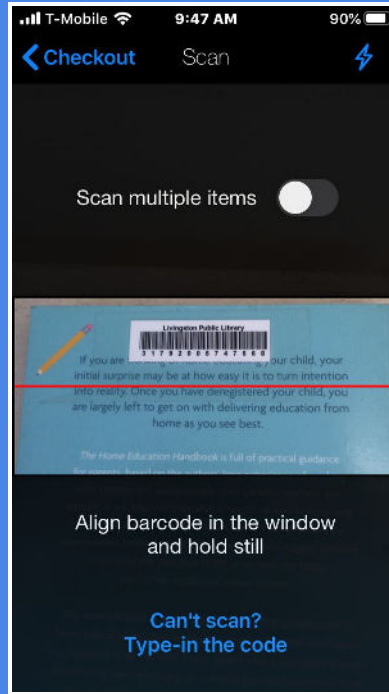

Step 4:

Tap **+** to start checking out books.

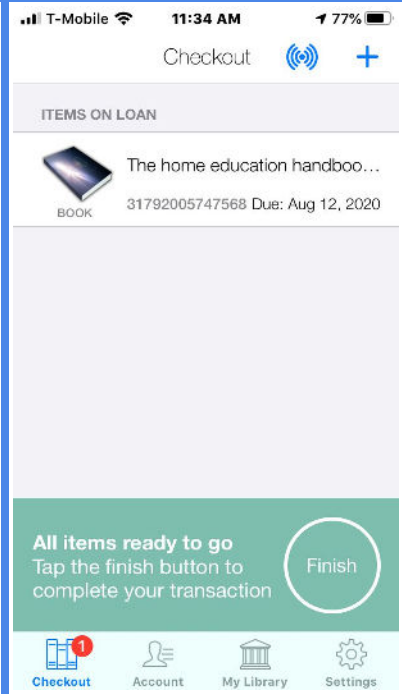

Step 5:

Align the item barcode with the red line on your device camera.

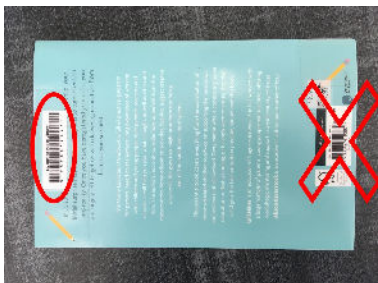

Step 6:

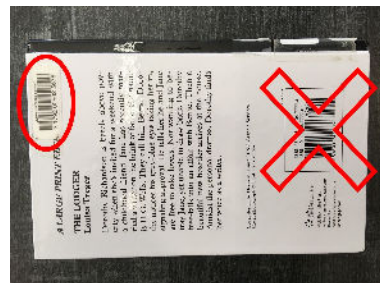

Once you're done scanning books, tap **Finish**.

Can't find the correct barcode?

Look on the back cover. Most barcodes are in the top-center or top-right. Make sure you are not scanning the ISBN.

Some barcodes may be located on the inside back cover above the book pocket.
